1. The proposed change in field of membership is to:

☐ A group having a single common bond of occupation.
   Identity of the group: ____________________________

☐ A group having a single common bond of association.
   Identity of the association: ________________________________

☐ A group having multiple common bonds of occupation:
   Identity of all occupational groups: ________________________________
   ________________________________
   ________________________________

☐ A group having multiple common bonds of association:
   Identity of all associational groups: ________________________________
   ________________________________
   ________________________________
A group having a combination of occupational and associational groups:

Identity of all occupational and associational groups: ____________________________________________
__________________________________________________________
__________________________________________________________
__________________________________________________________
__________________________________________________________

If the membership of the proposed multiple or combination common bond group will exceed 3,000, will
the employer or association be located in the geographic area of the credit union?
☐ Yes  ☐ No

If the membership of the proposed multiple or combination common bond group will exceed 3,000, would it be feasible or reasonable to establish a new single common bond field of membership?
☐ Yes  ☐ No

If “no”, is this because a single common bond membership would:

(a) lack sufficient volunteer and other resources to support the efficient and effective operation of a credit union?  ☐ Yes  ☐ No

(b) be unlikely to succeed?  ☐ Yes  ☐ No

(c) be unlikely to operate in a safe and sound manner?  ☐ Yes  ☐ No

Persons residing, working, or worshiping in, or organizations located within, a geographic area as indicated below:

☐ a single political jurisdiction (i.e., a city, county, township or clearly identified neighborhood);

☐ multiple contiguous political jurisdictions with an aggregate total population of no more than 500,000; or

☐ if the headquarters of the credit union is located in a MSA (metropolitan statistical area), the geographic area may include one or more political jurisdictions which share a common border to the MSA if the aggregate total of the population of the geographic area does not exceed 1,000,000.

With this application, provide a map that indicates the included political jurisdiction(s) and the population of each jurisdiction based on the most recent U.S. census. Census data can be found at: http://www.kssos.org/resources/kansas_census.html
In support of this application, applicant has hereby made the aforementioned statements and representations, and submits this information, based upon the factors as outlined for the purpose of inducing the Administrator of the Kansas Department of Credit Unions to approve the application for the current Kansas chartered credit union.

Applicant hereby authorizes the Administrator of the Kansas Department of Credit Unions to conduct any investigation, examination or review of the condition of the applicant credit union and to provide any other material as requested by the Administrator.

**ATTESTATION**

Applicant affirms that the information contained in this application has been prepared at the direction of the Board of Directors and that it is accurate and complete to the Applicant’s best knowledge and belief.
